MEMORANDUM FOR THE RECORD

SUBJECT: Results of Meeting in SSD/R&D Office, 25 July 1969

REF : Memo for D/OPS, D/M, and SS/OSA; Subj: Request to  
Attend Meeting in SSD/R&D Office 25 July dtd  
24 July 69, IDEA-0733-69

1. Following personnel convened in SSD/R&D office on  
25 July 1969 - [redacted]

[redacted] Mr. Dan Anderson, AFIGO-S, and  
the undersigned.

2. Following items discussed and results:

A. [redacted] (IN 54372). Consensus of opinion  
including Dan Anderson's was that more would be lost  
than gained if another set of designators were assigned  
to the existing IDEALIST photo sensors. Decision was  
to retain present nomenclature for existing IDEALIST  
photo sensors but if in future new systems are in-  
corporated into IDEALIST program a new designator  
system would be utilized. Dan Anderson stated no  
answer to [redacted] will be required as he will  
personally report our combined decision to AFIGO-S and  
DIA.

B. Passive Isolation System - All agreed passive  
isolation system proposed by Itek is needed. [redacted]  
[redacted] will investigate possibility of utilizing existing  
Itek contract funding. In event sufficient funds are  
not available, Dan Anderson will be notified of  
shortage and he will take action to procure balance.

C. Q-Bay Preconditioning Carts - All in agreement for need of these carts. Quantity required will be a total of 7 or 8 (OSA and USAF - this will meet requirement). [redacted] office have received LAC's proposal but not Hycon's. Final decision as to selection of contractor will be held in abeyance until copies of Hycon's proposal are received and studied by aforementioned offices. Problem will be funding. Obtaining of funds will be joint effort of OSA and USAF.
